The screenshot shows a Notion page with a dark theme. At the top, there's a header bar with a back arrow, forward arrow, and a refresh icon. The URL bar displays the address: `colorful-bramble-013.notion.site/Objetivos-SMART-81be954e0728449fa0560aabed302d2b`. Below the header, the title "Objetivos SMART" is centered in large white font. To the left of the main content area, there's a sidebar with the text "Objetivos SMART". The main content starts with a section titled "¿Qué son los objetivos?". It defines SMART goals as specific, measurable, achievable, relevant, and time-bound results. Following this, there's a section titled "Objetivos SMART" which describes them as a methodology for setting goals. Then, there's a section titled "Específicos" listing questions to answer: "QUIÉN", "QUÉ", "CUÁNDO", "DÓNDE", and "POR QUÉ". Next is a section titled "Medibles" stating that goals must be quantifiable and measurable. The entire page has a clean, modern design with white text on a dark background.

# Objetivos SMART

**¿Qué son los objetivos?**

Son resultados específicos que una persona se esfuerza alcanzar, en un tiempo determinado

**Objetivos SMART**

Los objetivos SMART son una metodología ampliamente utilizada para establecer metas que sean específicas, medibles, alcanzables, relevantes y con un plazo definido.

**Específicos**

Los objetivos deben ser claros y detallados, evitando la ambigüedad. Deben responder a las preguntas de:

- QUIÉN
- QUÉ
- CUÁNDO
- DÓNDE
- POR QUÉ

**Medibles**

Los objetivos deben ser cuantificables o capaces de medirse de alguna manera. Deben incluir indicadores o métricas que
